MODEL

28VHB

Emitter VHB Adhesive Tape

INSTALLATION INSTRUCTIONS

DESCRIPTION

The 28VHB Emitter Adhesive Tape is designed to work with the Xantech Designer Emitter product line. Featuring 3 different thicknesses, the 28VHB tape can attach a Designer Emitter to almost any surface, flat or round. Long term proven durability, resistant to climate changes and impact absorbing material will keep the Designer Emitter attached.

PACKAGE INCLUDES

- (2) Large Thickness 28VHB Tapes
- (2) Medium Thickness 28VHB Tapes
- (2) Small Thickness 28VHB Tapes

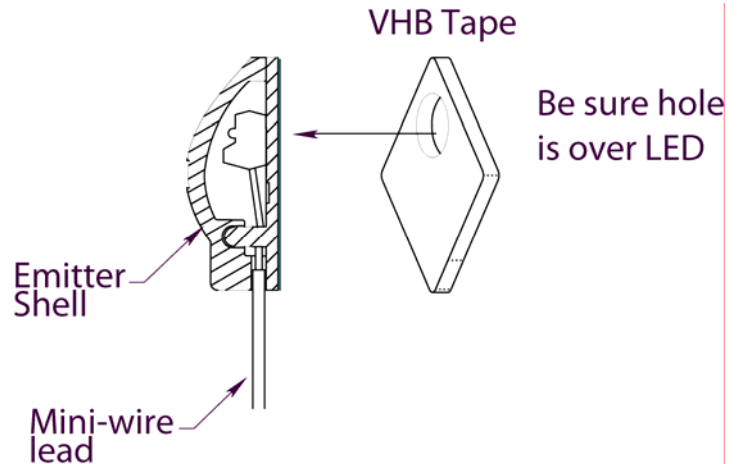

PRELIMINARY

Before installation, be sure the emitter and equipment surface is clean. Use a soft towel and warm water to clean the surface or refer to the equipment manual to find a recommended cleaning solution.

Be sure to locate the position where the Designer Emitter is to be placed before attaching the 28VHB tape. Once applied, the 28VHB should not be removed and reattached.

INSTALLATION

- Select the desired 28VHB thickness. Use a thicker size for rounded and curved surfaces. A thinner size may be use on flat surfaces.
- Remove the clear double-sided adhesive tape from the Designer Emitter. Verify the Designer Emitter surface is clean.
- Remove the liner on one side of the 28VHB tape.
- Locate the hole on the 28VHB tape and attached the adhesive end to the Designer Emitter. Be sure the hole is over the LED. If the hole is mounted incorrectly, the Designer Emitter may not function correctly.
- Remove the liner on the other side of the 28VHB.
- Attach the Designer Emitter to the equipment.

Limited Warranty

Xantech® warrants its products to be free of defects in materials or workmanship. This is a Limited Lifetime warranty from the date of purchase by the original consumer. Any products returned to Xantech and found to be defective by Xantech within the warranty period will be repaired or replaced, at Xantech's option, at no charge. Xantech will not be responsible for the actual cost of installation or removal of the product, nor for any incidental or consequential damages. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation may not apply to you. This warranty gives you specific legal rights. You may have additional legal rights that vary from state to state.
