Xantech Announces New Distributor in Greece

Established Integrated Solutions / Pro-Audio/ Lighting Company Joins Xantech Family

Sylmar California – March 19, 2009

Xantech Corporation is very pleased to announce our new partnership with Bon Studio as our exclusive distributor in Greece. Founded in 1974 and distributing companies from Harman Pro, Mitsubishi, Belden and Neutrik. Bon Studio offers distribution of high and medium level technical products for an extended variety of applications. Graham Hallett states Bon Studio offers a level of consistency and technical background and experience that is found in only the leading distributors in the industry. Xantech is proud to have Bon Studio join our family of Distributors.

With this new arrangement Xantech expects to improve its service to dealers in Greece by improving both the level of supply and the degree of dedication in our dealer support. We are confident that we will now have the right product and support in a timely manner, whenever it is needed and whatever the application.
