

# INSTALLATION INSTRUCTIONS

## XSSD250W

### 250Watt, Speaker Selector, Decora A/B Source or Speaker Selection

#### DESCRIPTION

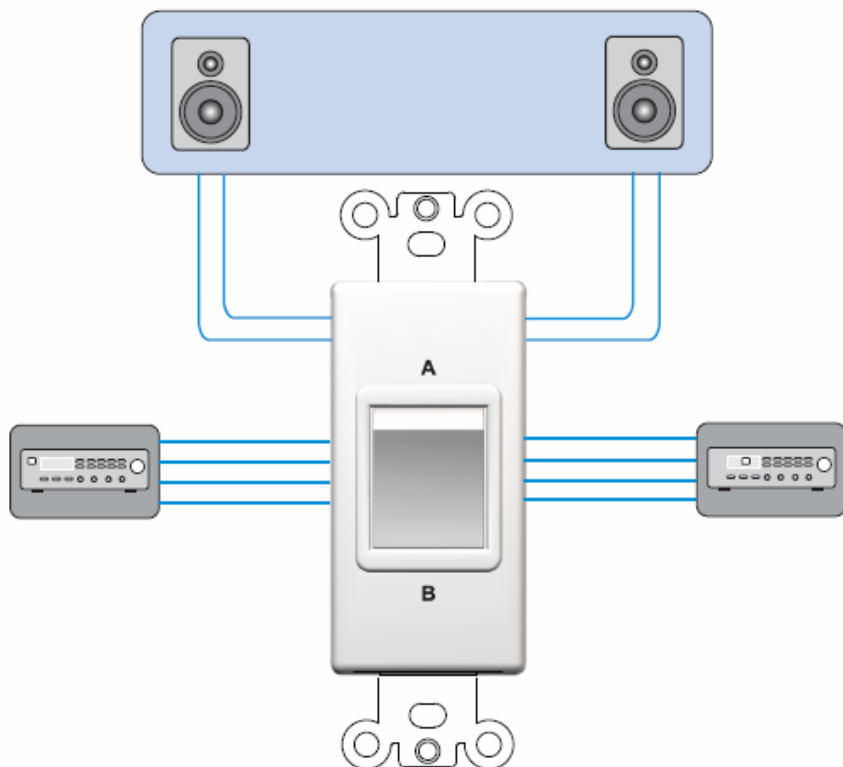

The XSSD250W provides an easy-to-use, easy-to-install, A or B selector switch. Premium components are used to provide high-quality speaker or amplifier selection. The XSSD250W requires no external power source. The XSSD250W cannot be used with high power bridged amplifiers.

#### SPECIFICATIONS

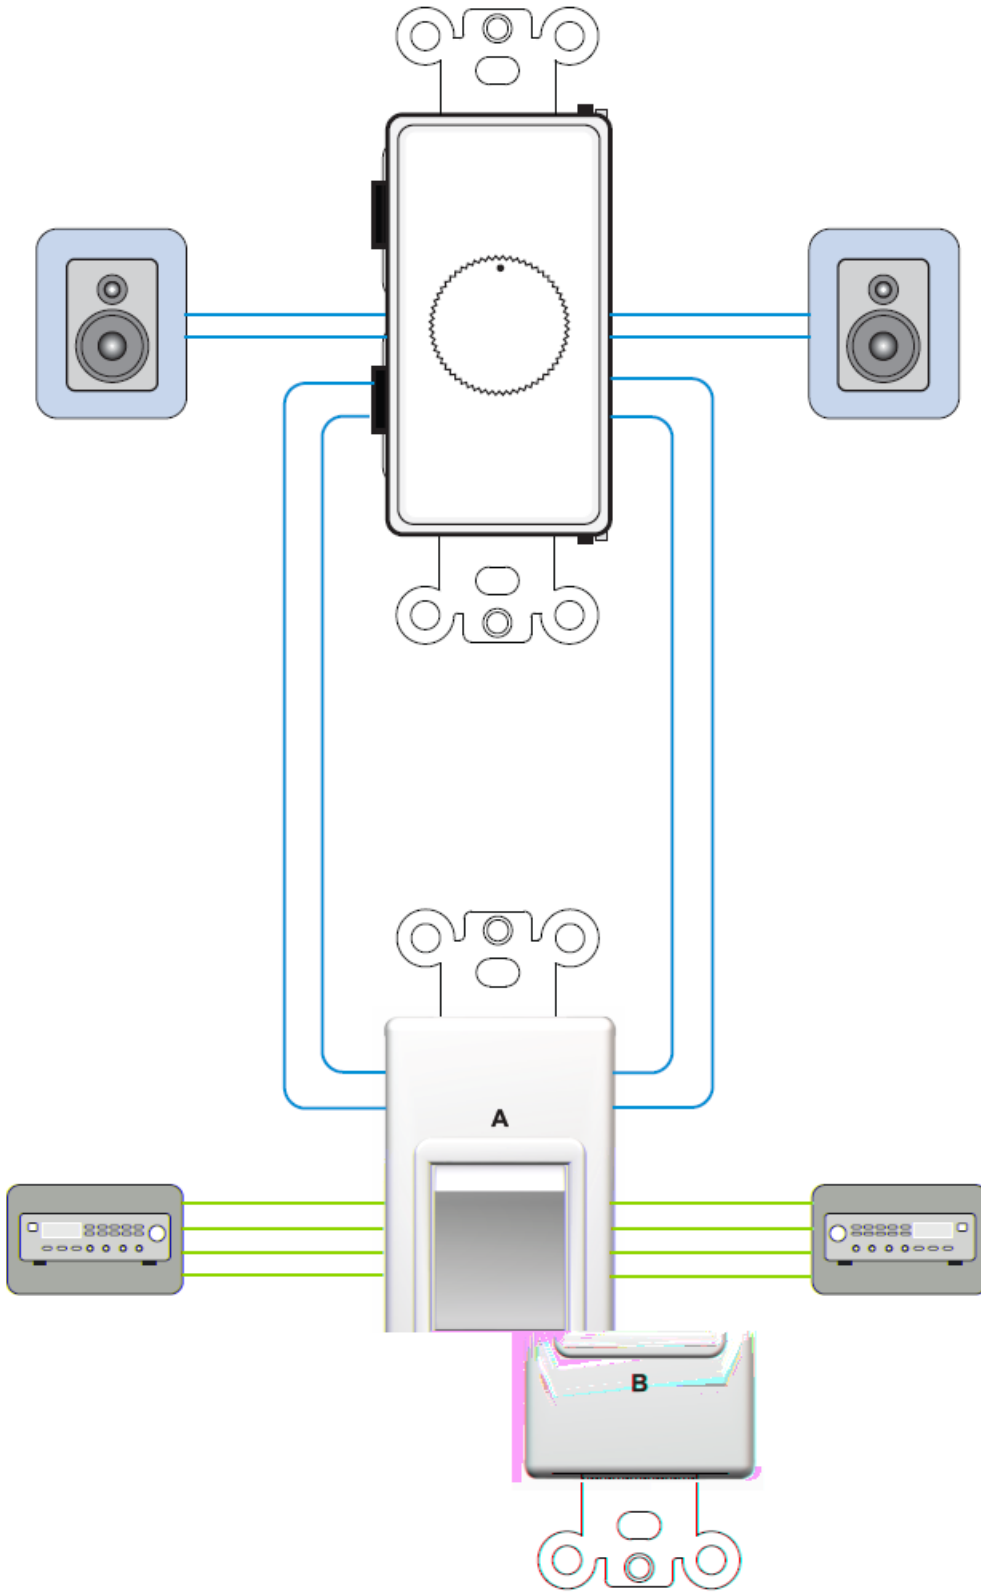

- Source input selectable, A or B switches
- Dimensions: 1.65" W x 4.0" H x 1.5" D
- Screw terminal connectors used with 16 to 22 AWG wiring.
- Rocker style switch

#### INSTRUCTIONS – ONE SPEAKER PAIR, TWO AMPLIFIERS

- 1) Remove ¼" of insulation from the ends of the wires.
- 2) Attach the speaker pair to screw terminal "Output". Note the polarity.
- 3) Attach one amplifier to screw terminal "Input A". Note the polarity. This is selector "A".
- 4) Attach the second amplifier to screw terminal "Input B". Note the polarity. This is selector "B".

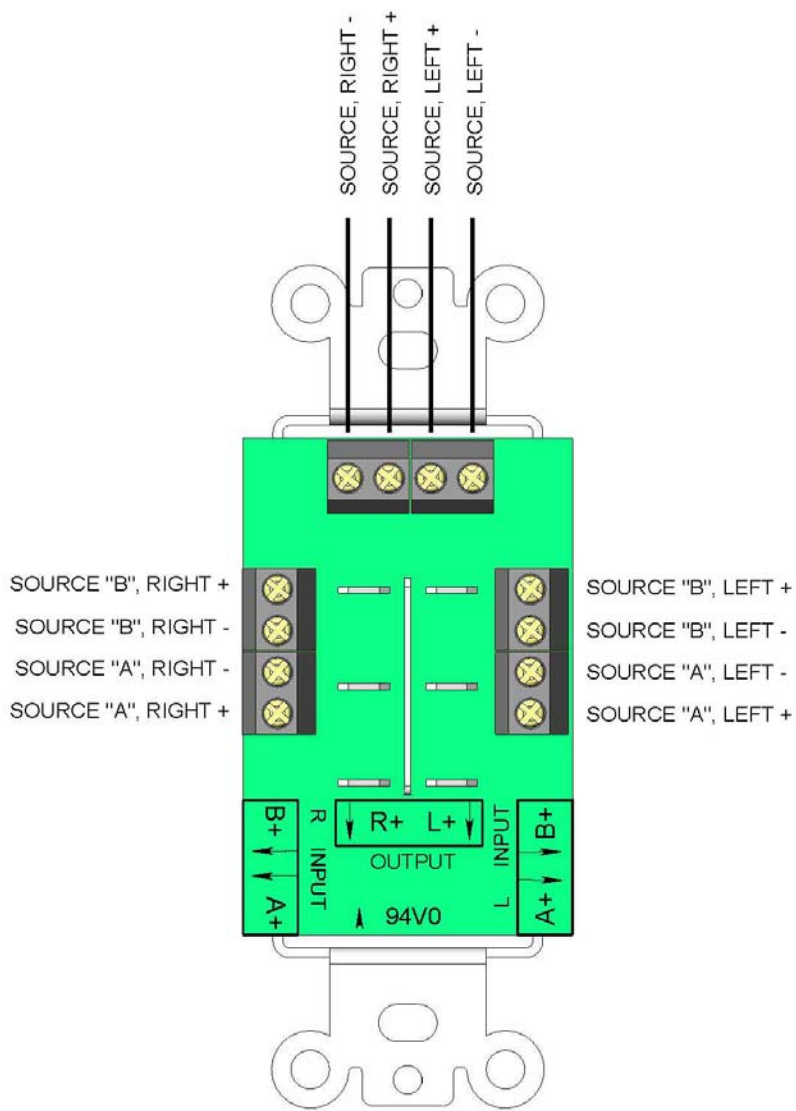

The figure on the left shows the XSSD250W in an application with two sources.

The figure on the left shows the XSSD250W in an application with two sources.

A Xantech XVC volume control is also used to create an enhanced system.

The figure on the left shows the XSSD250W, rear view.

# Xantech Limited Warranty

(Effective for products sold after July 1, 2006)

Xantech Corporation ("Xantech") warrants to the holder of a valid proof of purchase as the first end-user purchaser of its products to be free from defects in materials and workmanship for the periods specified below from the date of purchase. This limited warranty extends only to You for product purchased and used in the United States of America. For product purchased outside of the United States of America, the terms of this warranty apply EXCEPT that You must contact the Xantech authorized distributor in your region for warranty services. Product is not intended for end user installation. If within the applicable warranty period above You discover such item was not as warranted above and You promptly notify Xantech in writing, Xantech shall repair or replace the items at its option. Xantech may elect which remedy or combination of remedies to provide in its sole discretion. Xantech may use functionally equivalent conditioned/refurbished/pre-owned or new products or parts under this limited warranty. This warranty shall not apply to product which shall have been installed by other than an authorized Xantech installer, (b) to installed product which is not installed to Xantech's specifications, (c) to product which shall have been repaired or altered by others than Xantech, (d) to charges for installation or set up or adjustment of customer controls, (e) to product that has suffered from cosmetic deterioration (f) to product which shall have been subjected to negligence, misuse, abuse, accident, or damage by circumstances beyond Xantech's control, including, but not limited to, lightning, flood, electrical surge, fire, earthquake, or any other catastrophic events beyond Xantech's control, or (g) to product which shall have been subjected to improper operation, connected equipment failure or malfunction, inadequate packing or shipping damage, damage in transit, or to other than normal use of service. The foregoing warranties do not cover reimbursement for transportation, shipping, removal, installation, or other expenses which may be incurred in connection with repair or replacement. All claims for product shipping damage must be processed within 3 days of receipt by You.

A Return Authorization (RA) must be obtained from Xantech by You, your installer or your distributor for Product covered under this warranty. Covered product must be sent to Xantech together with proof of purchase, RA number, and insured to Xantech. Freight collect shipments will be refused. Risk of loss or damage in transit is borne by the customer. Xantech's warranty does not cover Products which have been received improperly packaged, altered, or physically damaged. Products will be inspected upon receipt.

Not as may be expressly provided and authorized in writing by Xantech, Xantech shall not be subject to any obligations or liabilities whatsoever with respect to equipment manufactured or sold by Xantech or services provided by Xantech.

IN LIEU OF ALL OTHER EXPRESSED AND IMPLIED WARRANTIES OF MERCHANTABILITY AND

For sale support and service, Xantech products are sold through authorized distributors. Xantech products are not sold online. The products have been purchased from an unauthorized Xantech re-seller. If you are an authorized Xantech re-seller, please call Xantech
